Studies, Plans, Monitoring & Assessment ➤ Plans

Assist DEQ to complete a 5-year review of a TMDL in Canyon, Elmore or Owyhee County. The TMDL to be reviewed will be selected by DEQ during FY2019. A 5-year review documents progress that has been made towards implementing the recommendations and achieving the water quality goals of an approved TMDL.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
